

CIVIL AVIATION SAFETY REGULATIONS 1998

Production Certificate

Number: 555622-1

In accordance with regulation 21.134 of the *Civil Aviation Safety Regulations 1998*, this certificate including the associated Production Limitation Record authorises:

Seats of Australia Pty Ltd trading as ACSOA Australia

ACN 079411751

to manufacture Class III aeronautical products on a one-off basis at the following manufacturing facilities:

52 Lillee Crescent, Tullamarine VIC 3043

This certificate commences on 25 February 2016.

This certificate is subject to the following conditions:

1. Class III products may only be manufactured and supplied on a one off basis in accordance with reg 21.133 (2B) of the CASR 1998.
2. The holder must notify CASA in writing of any change of address of its manufacturing facility or the Production Certificate ceases to be in force as per reg 21.159 (1) (a) of the CASR 1998.
3. The Manufacturer must produce all parts in accordance with the Seats of Australia Pty Ltd trading as ACSOA Australia Quality System Manual, Revision 4, dated February 2016 (or later approved revision), which has been presented as evidence of compliance with reg 21.139 of CASR 1998
4. This production certificate only authorises the manufacture of aeronautical products for Type Certificated aircraft.

Note: Changes to foam or cushions on seats certified for emergency landing dynamic conditions are classified as major design changes.

Date Issued: 25 February 2016
